

Better Together

About Us

In 2005, Kingdom Investment Ministry (KIM) first went to Jamaica for the purpose of spiritual partnership and provision of medical care. This mission was in Spanish Town. Then in 2011, Pastor Murphy took the initiative to encourage the team to return to Jamaica. Since that time, we have returned annually to Trelawny, Jamaica.

Spiritual Mission

Our partner church in Jamaica is Ideal Christian Fellowship (ICF), which is lead by Pastor Linnette Parchment. During our tie in Trelawny, we worship alongside ICF. We also host a youth night for the local children. This has proven to be very successful with lots of fun. The children have come to expect it and really seem to look forward to it. We play games (like Bible Trivia) and sing songs. We then give each child a gift. These gifts have been prepared for the kids by the KIM family back home.

Medical Mission

A medical group consisting of doctors, nurse practitioners, nurses, medical assistants, respiratory therapists, physical therapists, dentists and social workers travels to this relatively remote community to provide healthcare alongside the local nursing professionals as well as health education.

We bring our own medical equipment and medications. All medical personnel register through the Jamaican Ministry of Health and the medications receive approval prior to our arrival as well.

Each member of our team is responsible for the finances of the trip. We have fundraising efforts to help offset some of the cost and to finance the purchase of supplies, equipment and medications.

Our mission group operates under the umbrella of our church, Kingdom Investment Ministry (KIM). KIM is a registered 501 c 3 organization.

We are grateful for the opportunity to serve God in such a tangible way.
